

SATURDAY APRIL 30, SUNDAY MAY 1 & MONDAY MAY 2

To celebrate the official launch of the Dartmoor Way walking route, we are running a long weekend of guided walks starting from locations around Dartmoor that will follow sections of the route.

Members from the various Ramblers & walking groups that are based around Dartmoor will be leading these. We are offering a variety of walk distances & terrains, which should suit a range of walking abilities, plus a family cycle ride.

The walks will explore open moorland & ancient wooded valleys with sparkling streams that tumble off the Moor, deep drove roads that have been used for generations and visit pretty moorland towns & villages.

For walk details, please visit;
